*We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. For example, we typically would not authorize overdrafts if your checking account is not in good standing, if the account has not had a positive balance within the last 30 days, or if the account already has many overdrafts. The fact that we pay one of more items creating overdrafts does not obligate us to do so in the future.	** Average daily balance of \$1,500 must be maintained to earn dividends.

OVERDRAFT PROTECTION

Wichita Federal Credit Union offers overdraft protection through a line of credit or by covering funds by making automatic withdrawals from other share accounts. This protection is discretionary and members must opt in to take advantage of the service. For more information on our coverage plans, **email** or call us at 316.941.0600.
