About our company

We combines the skills of retail and corporate banking to support and finance our clients' day to day aspirations

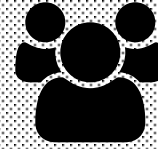

We offers a range of retail and SME banking, corporate banking, treasury, trade services and financial advisory to our ever-expanding clients. We have underwent a strategic repositioning exercise which culminated in a decision to operate as a commercial Bank with regional authorization across the globe. In 2011 Skynet was was granted a national banking license by the World Bank. We have over the years, diligently offered a fully-fledged range of value-adding banking and financial advisory services to corporate individuals across the globe.

Our Brand is driven by a desire to develop an intimate relationship with our customers, putting us in a position to identify their needs and priorities. We reinforces our key differentiating factor which is **Responsiveness**. This is the single concept which drives the understanding of what we do, who we are and how we go about our business. It is the one word that best personifies the behavior, products and services of our Bank.
